

MEMORANDUM

State of Alaska

Department of Transportation & Public Facilities

TO: Bo Brownfield,
Deputy Commissioner

DATE: March 12, 1999

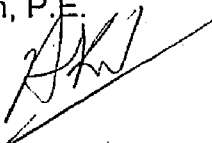

FILE NO:

29

TELEPHONE NO:

FROM: Anton K. Johansen, P.E.
Regional Director

SUBJECT: Request for Legal Opinion
Chitina-McCarthy Road

I am attaching a copy of a memo sent to you on the above subject along with documents from a local property owner (Mr. Erling Hem, Sr.) purporting to support the 300' right-of-way theory. These are for your information and for further forwarding to the Attorney General's Office.

This legal opinion was originally requested over 3 years ago and it is still of major importance. Perhaps this material will aid the AG's office in completing it.
