

MEMORANDUM

State of Alaska 49

Department of Law

TO: Rodney R. Platzke
Director, Design and Constr.
DOT/PF Northern Region

DATE: March 30, 1995

FILE NO: 665- APR 06 1995

TEL. NO.: 451-2811 Northern Region DOT & PF

FROM: John Athens
Assistant Attorney General

SUBJECT: McCarthy Road
Right-of-Way

CONFIDENTIAL ATTORNEY/CLIENT COMMUNICATION

I do not have anything further to add to my earlier memorandum on the McCarthy Road right-of-way. I do not believe that litigation will result in a right-of-way width greater than 100 feet. If DOT/PF Headquarters in Juneau believes that there may be reason to question this conclusion, I think it would be best for another Assistant Attorney General to prepare an opinion on the subject. I remain willing to provide whatever assistance is requested.
