SUBJECT: McCarthy Road
Right of Way

Reference is made to your memorandum of March 2, 1995 (attached) requesting an Attorney General's Office (AGO) opinion.

The United States Department of the Interior, Office of Hearings and Appeals, Interior Board of Land Appeals' opinion dated August 25, 1993 is convincing to me and I do not see any gain in getting an official AGO opinion.

I am prepared to accept the 100 foot right of way and proceed accordingly. Please advise if you have any real problems with this approach.
