

(b) Adoption of a final redistricting plan shall require the affirmative votes of three members of the Redistricting Board.

#### Section 11. Enforcement

Any qualified voter may apply to the superior court to compel the Redistricting Board, by mandamus or otherwise, to perform its duties under this article or to correct any error in redistricting. Application to compel the board to perform must be filed no later than thirty days following the expiration of the ninety-day period specified in this article. Application to compel correction of any error in redistricting must be filed within thirty days following the adoption of the final redistricting plan and proclamation by the board. Original jurisdiction in these matters is vested in the superior court. On appeal from the superior court, the cause shall be reviewed by the supreme court on the law and the facts. Notwithstanding Section 15 of Article IV, all dispositions by the superior court and the supreme court under this section shall be expedited and shall have priority over all other matters pending before the respective court. Upon a final judicial decision that a plan is invalid, the matter shall be returned to the board for correction and development of a new plan. If that new plan is declared invalid, the matter may be referred again to the board.

### **Article VII. Health, Education and Welfare**

#### Section 1. Public Education

The legislature shall by general law establish and maintain a system of public schools open to all children of the State, and may provide for other public educational institutions. Schools and institutions so established shall be free from sectarian control. No money shall be paid from public funds for the direct benefit of any religious or other private educational institution.

#### Section 2. State University

The University of Alaska is hereby established as the state university and constituted a body corporate. It shall have title to all real and personal property now or hereafter set aside for or conveyed to it. Its property shall be administered and disposed of according to law.

#### Section 3. Board of Regents of University

The University of Alaska shall be governed by a board of regents. The regents shall be appointed by the governor, subject to confirmation by a majority of the members of the legislature in joint session. The board shall, in accordance with law, formulate policy and appoint the president of the university. He shall be the executive officer of the board.

#### Section 4. Public Health

The legislature shall provide for the promotion and protection of public health.

#### Section 5. Public Welfare

The legislature shall provide for public welfare.

### **Article VIII. Natural Resources**

#### Section 1. Statement of Policy

It is the policy of the State to encourage the settlement of its land and the development of its resources by making them available for maximum use consistent with the public interest.

#### Section 2. General Authority

The legislature shall provide for the utilization, development, and conservation of all natural resources belonging to the State, including land and waters, for the maximum benefit of its people.

#### Section 3. Common Use

Wherever occurring in their natural state, fish, wildlife, and waters are reserved to the people for common use.

#### Section 4. Sustained Yield

Fish, forests, wildlife, grasslands, and all other replenishable resources belonging to the State shall be utilized, developed, and maintained on the sustained yield principle, subject to preferences among beneficial uses.

#### Section 5. Facilities and Improvements

The legislature may provide for facilities, improvements, and services to assure greater utilization, development, reclamation, and settlement of lands, and to assure fuller utilization and development of the fisheries, wildlife, and waters.

#### Section 6. State Public Domain

Lands and interests therein, including submerged and tidal lands, possessed or acquired by the State, and not used or intended exclusively for governmental purposes, constitute the state public domain. The legislature shall provide for the selection of lands granted to the State by the United States, and for the administration of the state public domain.

#### Section 7. Special Purpose Sites

The legislature may provide for the acquisition of sites, objects, and areas of natural beauty or of historic, cultural, recreational, or scientific value. It may reserve them from the public domain and provide for their administration and preservation for the use, enjoyment, and welfare of the people.

#### Section 8. Leases

The legislature may provide for the leasing of, and the issuance of permits for exploration of, any part of the public domain or interest therein, subject to reasonable concurrent uses. Leases and permits shall provide, among other conditions, for payment by the party at fault for damage or injury arising from noncompliance with terms governing concurrent use, and for forfeiture in the event of breach of conditions.

#### Section 9. Sales and Grants

Subject to the provisions of this section, the legislature may provide for the sale or grant of state lands, or interests therein, and establish sales procedures. All sales or grants shall contain such reservations to the State of all resources as may be required by Congress or the State and shall provide for access to these resources. Reservation of access shall not unnecessarily impair the owners' use, prevent the control of trespass, or preclude compensation for damages.

#### Section 10. Public Notice

No disposals or leases of state lands, or interests therein, shall be made without prior public notice and other safeguards of the public interest as may be prescribed by law.

#### Section 11. Mineral Rights

Discovery and appropriation shall be the basis for establishing a right in those minerals reserved to the State which, upon the date of ratification of this constitution by the people of Alaska, were subject to location under the federal mining laws. Prior discovery, location, and filing, as prescribed by law, shall establish a prior right to these minerals and also a prior right to permits, leases, and transferable licenses for their extraction. Continuation of these rights shall depend upon the performance of annual labor, or the payment of fees, rents, or royalties, or upon other requirements as may be prescribed by law. Surface uses of land by a mineral claimant shall be limited to those necessary for the extraction or basic processing of the mineral deposits, or for both. Discovery and appropriation shall initiate a right, subject to further requirements of law, to patent of mineral lands if authorized by the State and not prohibited by Congress. The provisions of this section shall apply to all other minerals reserved to the State which by law are declared subject to appropriation.

#### Section 12. Mineral Leases and Permits

The legislature shall provide for the issuance, types and terms of leases for coal, oil, gas, oil shale, sodium, phosphate, potash, sulfur, pumice, and other minerals as may be prescribed by law. Leases and permits giving the exclusive right of exploration for these minerals for specific periods and areas, subject to
