

lunched with borough assembly
Lumman, Overstreet, Kline, Jacobson,
Wynigan, Macomber, Wild + me
discussed cityway, envelope of the
actlands - they agreed it would
probably be a good idea and
Harbura & Howell were
discussed claims that were
outstanding and ESO Wash. conference
Copper Riv. B.F.S. and other subjects.

Called to Dutton - he said
gov said us to gas tax increase
tax in - we discussed the
tr. trade agreement and he instructed
Granger to get with us and
coordinate our assignment of people
to the work groups provided it
is coordinated.

met with Chitt, Milly, Freitag
Johnson (Tan) and discussed main
and working capital budget. They
indicated that we would be able
to get out OK for July 1, 1974 with
the release of the deposit from
Administration.

Mar 27th

Herman beer called - I told
him that I would save the
Berana #2 pay times for him
for 30 days - if I didn't hear
by then I would let the bridge
go. Wes Coynes called said OK
to asking Groh for a pay raise for
grades 24-28

Mr. Tunes of the office of
Director of DOI in Anchorage
called me about R/W Grant
for the North Slope Co. told him
I would not accept
a bilateral grant in - as - usual
as we had the R/W under 932.
He agreed to send an official
copy and to come to Joffe to
review with us.
Went to Senate Business Committee
and had to leave to go to Dr. appointment.
CSM came over to testify

3/28/74

~~Met with Ketchikan Chamber
delegation (about 12 in No.) and discussed
Ketchikan problems. Told them I would get them
a status report on Growing Island Budget, I
would review status of Solowbar, I would get decision on
buying Algonquin for ferry service, I would
participate in the next area at the dump
and I would check on need for guard rail
testified against HB328 (DOV) House Finance
Early was there and testified for it. Told Putman
Had two removed from use by Dr.
Andrews.~~
