Attention: Mr. Woodrow Johansen, P.E.

Dear Mr. Johansen:

On behalf of the Michael Baker, Jr., Inc. Resident Staff I wish to take this opportunity to commend the Department on its choice of Project Engineers assigned to Segment 4 Ext. and Segment 5 of the Yukon River to Prudhoe Bay Highway.

We found Messrs. Larry Geise and Lonie Brunlow to be firm but fair at all times. We hope to have the privilege of working with them on future Pipeline assignments.

Sincerely yours,

MICHAEL BAKER, JR., INC.
