Attention: Richard H. LeDosquet
District Manager

Dear Mr. LeDosquet:

Reference a copy of your memorandum to the Alaska Pipeline office dated October 7, 1975, concerning "as built" for the haul road from a point in Section 28, F. 12 N., R. 10 W., Fairbanks Meridian to the north line of T. 1 N., R. 18 E., Umiat Principal Meridian.

The Department of Highways notes that there may still be some minor alignment changes for various reasons. As soon as the road is completed and accepted by the Department of Highways, a full set of "as built" will be submitted to your office, for completion of the amended grant BLM # F-21145.

Sincerely yours,

WOODROW JOHNSON
Interior District Engineer
