The following findings and conclusions are based upon the evidence adduced:

The decedent, who was a resident of the State of Alaska, died intestate at Galena, Alaska on November 1, 1973.

At death the decedent was possessed of that trust or restricted property, real and personal, shown on the inventory attached and other reporting documents, and the decedent was survived by certain persons whose respective names, relationships, birth dates, and interests in the estate under the Alaska statutes of descent, Alaska Stat. section 13.11.015(1), are as follows:

The evidence established that Robert and Lena Demoski adopted Barbara Paquette, born June 25, 1946 and Victor Demoski, born May 12, 1964 through the Alaska State Court system. Therefore, they are entitled to inherit in the decedent's estate.
