

*Annual Report*

XXXXXXXXXXXXXXXXXXXX  
Anchorage, Alaska

December 17, 1951

Mr. A. F. Ghiglione  
Commissioner of Roads for Alaska  
Alaska Road Commission  
Juneau, Alaska

Subject: Annual Report on status of Highways and Roads within the Anchorage District.

The following narrative will briefly describe changes recorded on District Road Mileage Records for the construction season of 1951.

Roads newly constructed are as listed below:

	Route	Miles
Anchorage - International Airport	412	3.0
Abbott Road	310.1	0.3
Spruce Road	310.1	1.3
Lore Road	310.1	0.3
Alder Road	310.1	0.3
Deep Creek Road	511.1	1.3
Spruce Cape Road	014.1	1.0
Kaknek Beach to Air Base	010.5	13.3

Roads extended during the 1951 construction season are as follows:

Plumly Road	310.2	1.0
Schrock Road	314.3	1.1
Kincaid Road	410.1	0.5
Strawberry Road	410.1	0.2
Johns Road	410.1	0.4
Anchor River Road	511.1	0.4

Changes in names or courses of routes are listed below. These changes have been made to clarify the existing system and eliminate the dividing of certain roads into numerous routes. The Eillingham - Good River network, Route 013, has been corrected to reflect the true mileage of the roads maintained during the past seasons. The total mileage also includes 1.1 miles taken over for maintenance during the past season.

The Lake Otis Road, Route 310.1, has incorporated the Airport Heights Road and the Wells Road, completing the loop from Glenn Highway to the Potter Road. That portion of Lake Otis Road lying in an east - west direction and connecting with Fireweed Lane, has been incorporated in the total mileage of Fireweed Lane.

The road from Fishhook Junction to Willow has been incorporated into one route, being Route 314.2.1, comprising 44.6 miles. Roads leading to this system have been left unchanged.

The mileage record card for the Naknek Beach to Airport Road is revised to reveal "as constructed" mileage of 13.3 miles and the title to read as above rather than Naknek Beach to Naknek.

The following road has been deleted from our records, as it falls within the newly incorporated City of Palmer:

Community Center Road - Route 312.1, containing 1.2 miles

There is enclosed an original and two copies of the current road status within the Anchorage District, including mileages and route numbers.

Very truly yours,

E. J. White  
District Engineer

Enclosures as above
