Sec. 3. Establishment of rights-of-way or easements. (a) A reservation for highway purposes covering the lands embraced in the through roads mentioned in section 2 of this order was made by Public Land Order No. 601 of August 10, 1949, as amended by Public Land Order No. 757 of October 16, 1951. That order operates as a complete segregation of the land from all forms of appropriation under the public-land laws, including the mining and the mineral leasing laws.

(b) A right-of-way or easement for highway purposes covering the lands embraced in the feeder roads and the local roads equal in extent to the width of such roads as established in section 2 of this order, is hereby established for such roads over and across the public lands.

(c) The reservation mentioned in paragraph (a) and the rights-of-way or easements mentioned in paragraph (b) will attach as to all new construction involving public roads in Alaska when the survey stakes have been set on the ground and notices have been posted at appropriate points along the route of the new construction specifying the type and width of the roads.

Sec. 4. Road maps to be filed in proper Land Office. Maps of all public roads in Alaska heretofore or hereafter constructed showing the location of the roads, together with appropriate plans and specifications, will be filed by the Alaska Road Commission in the proper Land Office at the earliest possible date for the information of the public.

ALASKA

REVOKING PUBLIC LAND ORDER NO. 801 OF AUGUST 10, 1949, WHICH RESERVED PUBLIC LANDS FOR HIGHWAY PURPOSES, AND PARTIALLY REVOKING PUBLIC LAND ORDER NO. 386 OF JULY 31, 1947

By virtue of the authority vested in the President and pursuant to Executive Order No. 10355 of May 26, 1952, and the act of August 1, 1956 (70 Stat. 898) it is ordered as follows:

1. Public Land Order No. 801 of August 10, 1949, as modified by Public Land Order No. 757 of October 16, 1951, reserving for highway purposes the public lands in Alaska lying within 300 feet on each side of the center line of the Alaska Highway and within 150 feet on each side of the center line of the Richardson Highway, Glenn Highway, Haines Highway, the Seward-Anchorage Highway (exclusive of that part thereof, within the boundaries of the Chugach National Forest), the Anchorage-Lake Spenard Highway, and the Fairbanks-College Highway, is hereby revoked.

2. Public Land Order No. 386 of July 31, 1947, so far as it withdrew the following-described lands, identified as items (a) and (b) in said order, under the jurisdiction of the Secretary of War for right-of-way purposes for a telephone line and an oil pipeline with appurtenances, is hereby revoked:

(a) A strip of land 50 feet wide, 25 feet on each side of a telephone line as located and constructed generally parallel to the Alaska Highway from the Alaska-Yukon Territory boundary to the junction of the Alaska Highway with the Richardson Highway near Big Delta, Alaska.

(b) A strip of land 80 feet wide, 10 feet on each side of a pipeline as located and constructed generally parallel to the Alaska Highway from the Alaska-Yukon Territory boundary to the junction of the Alaska Highway with the Richardson Highway near Big Delta, Alaska.

3. An easement for highway purposes, including appurtenant protective, scenic, and service areas, over and across the lands described in paragraph 1 of this order, extending 150 feet on each side of the center line of the highways mentioned therein, is hereby established.

4. An easement for telephone line purposes in, over, and across the lands described in paragraph 2 (a) of this order, extending 25 feet on each side of the telephone line referred to in that paragraph, and an easement for pipeline purposes, in, under, over, and across the lands described in paragraph 2 (b) of this order, extending 10 feet on each side of the pipeline referred to in that paragraph, are hereby established, together with the right of ingress and egress to all sections of the above easements on and across the lands hereby released from withdrawal.

5. The easements established under paragraphs 3 and 4 of this order shall extend across both surveyed and unsurveyed public lands described in paragraphs 1 and 2 of this order for the specified distance on each side of the centerline of the highways, telephone line and pipeline, as those center lines are definitely located as of the date of this order.

6. The lands within the easements established by paragraphs 3 and 4 of this order shall not be occupied or used for other than the highways, telegraph line and pipeline referred to in paragraphs 1 and 2 of this order except with the permission of the Secretary of the Interior or his delegate as provided by section 3 of the act of August 1, 1956 (70 Stat. 898), provided: that if the lands crossed by such easements are under the jurisdiction of a Federal department or agency, other than the Department of the Interior, or of a Territory, State, or other Government subdivision or agency, such permission may be granted only with the consent of such department, agency, or other governmental unit.

7. The lands released from withdrawal by paragraphs 1 and 2 of this order, which, at the date of this order, adjoin lands in private ownership, shall be offered for sale at not less than their appraised value, as determined by the authorized officer of the Bureau of Land Management, and pursuant to section 2 of the act of August 1, 1956, supra. Owners of such private lands shall have a preference right to purchase at the appraised value so much of the released lands adjoining their private property as the authorized officer of the Bureau of Land Management deems equitable, provided, that ordinarily, owners of private lands adjoining the lands described in paragraph 1 of this order will have a preference right to purchase released lands adjoining their property, only up to the centerline of the highways located therein. Preference right claimants may make application for purchase of released lands at any time after the date of this order by giving notice to the appropriate land office of the Bureau of Land Management. Lands described in this paragraph not claimed by and sold to preference claimants may be sold at public auction at not less than their appraised value by an authorized officer of the Bureau of Land Management, provided that preference claimants are first given notice of their privilege to exercise their preference rights by a notice addressed to their last address of record in the office in the Territory in which their title to their private lands is recorded. Such notice shall give the preference claimant at least 60 days in which to make application to exercise his preference right; and if the application is not filed within the time specified, the preference right will be lost. Preference right claimants will also lose their preference rights if they fail to pay for the lands within the time period specified by the authorized officer of the Bureau of Land Management, which time period shall not be less than 60 days.

8. The lands released from withdrawal by paragraphs 1 and 2 of this order, which at the date of this order, adjoin lands in valid unperfected entries, locations, or settlement claims, shall be subject to inclusion in such entries, locations and claims, notwithstanding any statutory limitations upon the area which may be included therein. For the purposes of this paragraph entries, locations, and claims include, but are not limited to, certificates of purchase under the Alaska Public Sale Act (63 Stat. 679; 48 U. S. C. 364a-e) and leases with option to purchase under the Small Tract Act (52 Stat. 609; 43 U. S. C. 682a) as amended. Holders of such entries, locations, and claims to the lands, if they have not gone to patent, shall have a preference right to amend them to include so much of the released lands adjoining their property as the authorized officer deems equitable, provided, that ordinarily such holders of property adjoining the lands described in paragraph 1 of this order will have the right to include released lands adjoining such property only up to the centerline of the highways located therein. Allowances of such amendments will be conditional upon the payment of such fees and commissions as may be provided for in the regulations governing such entries, locations, and claims together with the payment of any purchase price and cost of survey of the land which may be established by the law or regulations governing such entries, locations and claims, or which may be consistent with the terms of the sale under which the adjoining land is held. Preference right claimants may make application to amend their entries, locations, and claims at any time after the date of this order by giving notice to the appropriate land office of the Bureau of Land Management. Lands described in this paragraph, not claimed by and awarded to preference claimants, may be sold at public auction at not less than their appraised value by the authorized officer of the Bureau of Land Management, provided that preference claimants are first given notice of their privilege to exercise their preference rights by a notice addressed to their last address of record in the appropriate land office, or if the land is patented, in the Territory in which title to their private land is recorded. Such notice shall give the claimant at least 60 days in which to make application to exercise his preference right, and if the application is not filed within the time specified the preference right will be lost. Preference right claimants will also lose their preference rights if they fail to make any required payments within the time period specified by the authorized officer of the Bureau of Land Management, which time period shall not be less than 60 days.

9. (a) Any tract released by Paragraph 1 or 2 of this order from the withdrawals made by Public Land Orders Nos. 601, as modified, and 386, which remains unsold after being offered for sale under Paragraph 7 or 8 of this order, shall remain open to offers to purchase under Section 2 of the act of August 1, 1956, supra, at the appraised value, but it shall be within the discretion of the Secretary of the Interior or his delegate as to whether such an offer shall be accepted.

(b) Any tract released by Paragraph 1 or 2 of this order from the withdrawals made by Public Land Orders Nos. 601, as modified, and 386, which on the date hereof does not adjoin privately-owned land or land covered by an unpatented claim or entry, is hereby opened, subject to the provisions of Paragraph 6 hereof, if the tract is not otherwise withdrawn, to settlement claim, application, selection or location under any applicable public land law. Such a tract shall not be disposed of as a tract or unit separate and distinct from adjoining public lands outside of the area released by this order, but for disposal purposes, and without losing its identity, if it is already surveyed, it shall be treated as having merged into the mass of adjoining public lands, subject, however, to the easement so far as it applies to such lands.

(c) Because the act of August 1, 1956 (70 Stat. 896; 48 U. S. C. 420-420c) is an act of special application, which authorizes the Secretary of the Interior to make disposals of lands included in revocations such as made by this order, under such laws as may be specified by him, the preference-right provisions of the Veterans Preference Act of 1944 (58 Stat. 747; 43 U. S. C. 279-284) as amended, and of the Alaska Mental Health Enabling Act of July 28, 1956 (70 Stat. 709; 48 U. S. C. 46-3b) will not apply to this order.

10. All disposals of lands included in the revocation made by this order, which are under the jurisdiction of a Federal department or agency other than the Department of the Interior may be made only with the consent of such department or agency. All lands disposed of under the provisions of this order shall be subject to the easements established by this order.

11. The boundaries of all withdrawals and restorations which on the date of this order adjoin the highway easements created by this order are hereby extended to the centerline of the highway easements which they adjoin. The withdrawal made by this paragraph shall include, but not be limited to the withdrawals made for Air Navigation Site No. 7 of July 13, 1954, and by Public Land Orders No. 386 of July 31, 1947, No. 622 of December 15, 1949, No. 808 of February 27, 1952, No. 975 of June 18, 1954, No. 1037 of December 16, 1954, No. 1059 of January 21, 1955, No. 1129 of April 15, 1955, No. 1178 of June 29, 1955, and No. 1181 of June 29, 1955.
