A.R.C. ORDER NO. 40, REVISED

SUBJECT: Highway System - Route Numbers and Mileages

Attached is a revised tabulation of the Highway System compiled from data submitted by the District Offices showing route numbers and names, total mileages and winter maintenance mileages.

It is requested that this revision be reviewed by the Districts, and any errors or omissions reported to Headquarters on a marked copy of this revision, not later than March 15, 1955. Negative reports are requested if no errors or omissions are noted.

It is further requested that revised mileages occasioned by new construction, line changes, or other causes, between this date and November 1, 1954, be reported to Headquarters on a marked copy of this revision, not later than December 1, 1954.

Route numbers will continue to be assigned by Headquarters. Districts are requested to recommend the route classification of new routes and the re-grouping of existing routes wherever present numbering is inconsistent with the system.

A.R.C. Order No. 40 Revised, dated January 20, 1954, and all amendments and attachments thereto, are revoked in their entirety and should be removed from all reference books.
