Hello Mr. Bennett,

Below is a link to the most relevant documents for our case.

<https://dillonfindley.sharefile.com/d-s3aff781e88d4ee78>

We would like to know the width of the road and bridge easement on Parcel 4 of the Chilkoot River subdivision. The subdivision plat showing the parcels in question is Exhibit D. There is some historical information on the road and the bridge in the document "Navigability of Chilkoot River," see page 8.

I'm including a timeline that I created and the corresponding documents. The documents in that file are a scan and not as high quality so I tried to include a better quality of each.

I have a lot of additional information, but I don't know how much of it is relevant to you. Please let me know if there is additional information that would be helpful and I will see if I already have it.

Please call me with any questions.

Thank you,

Michelle S. Nesbett, Attorney
