Any such corporation which, but for this section, would be subject to the provisions of the Securities Exchange Act of 1934 shall transmit to its stockholders each year a report containing substantially all the information required to be included in an annual report to stockholders by a corporation which is subject to the provisions of such Act.”

“MERGER OF NATIVE CORPORATIONS

43 USC 1627.  
43 USC 1606,  
1607, 1613.

“SEC. 30. (a) Notwithstanding any provision of this Act, any corporation created pursuant to section 7(d), 8(a), 14(h)(2), or 14(h)(3) within any of the twelve regions of Alaska, as established by section 7(a), may, at any time, merge or consolidate, pursuant to the applicable provisions of the laws of the State of Alaska, with any other of such corporation or corporations created within or for the same region. Any corporations resulting from mergers or consolidations further may merge or consolidate with other such merged or consolidated corporations within the same region or with other of the corporations created in said region pursuant to section 7(d), 8(a), 14(h)(2), or 14(h)(3).

“(b) Such mergers or consolidations shall be on such terms and conditions as are approved by vote of the shareholders of the corporations participating therein, including, where appropriate, terms providing for the issuance of additional shares of Regional Corporation stock to persons already owning such stock, and may take place pursuant to votes of shareholders held either before or after the enactment of this section: *Provided*, That the rights accorded under Alaska law to dissenting shareholders in a merger or consolidation may not be exercised in any merger or consolidation pursuant to this Act effected prior to December 19, 1991. Upon the effectiveness of any such mergers or consolidations the corporations resulting therefrom and the shareholders thereof shall succeed and be entitled to all the rights, privileges, and benefits of this Act, including but not limited to the receipt of lands and moneys and exemptions from various forms of Federal, State, and local taxation, and shall be subject to all the restrictions and obligations of this Act as are applicable to the corporations and shareholders which and who participated in said mergers or consolidations or as would have been applicable if the mergers or consolidations and transfers of rights and titles thereto had not taken place: *Provided*, That, where a Village Corporation organized pursuant to section 19(b) of this Act merges or consolidates with the Regional Corporation of the region in which such village is located or with another Village Corporation of that region, no provision of such merger or consolidation shall be construed as increasing or otherwise changing regional enrollments for purposes of distribution of the Alaska Native Fund; land selection eligibility; or revenue sharing pursuant to sections 6(c), 7(m), 12(b), 14(h)(8), and 7(i) of this Act.

43 USC 1618.

43 USC 1605,  
1611.

“(c) Notwithstanding the provisions of section 7(j) or (m), in any merger or consolidation in which the class of stockholders of a Regional Corporation who are not residents of any of the villages in the region are entitled under Alaska law to vote as a class, the terms of the merger or consolidation may provide for the alteration or elimination of the right of said class to receive dividends pursuant to said section 7(j) or (m). In the event that such dividend right is not expressly altered or eliminated by the terms of the merger or consolidation, such class of stockholders shall continue to receive such dividends pursuant to section 7(j) or (m) as would have been applicable if the merger or consolidation had not taken place and all Village Corporations within the affected region continued to exist separately.

“(d) Notwithstanding any other provision of this section or of any other law, no corporation referred to in this section may merge or consolidate with any other such corporations unless that corporation’s shareholders have approved such merger or consolidation.

“(e) The plan of merger or consolidation shall provide that the right of any affected Village Corporation pursuant to section 14(f) to withhold consent to mineral exploration, development, or removal within the boundaries of the Native village shall be conveyed, as part of the merger or consolidation, to a separate entity composed of the Native residents of such Native village.”

SEC. 7. Section 17(a)(10) of the Settlement Act is amended to read as follows:

An interim, comprehensive report covering the above matter shall be so submitted on or before May 30, 1976. A final and comprehensive report covering the above matter shall be so submitted on or before May 30, 1979. The Commission shall cease to exist effective June 30, 1979.”

SEC. 8. (a) Notwithstanding the October 6, 1975, order of the United States District Court for the District of Columbia in the case of Alaska Native Association of Oregon et al. against Rogers C. B. Morton et al., Civil Action Numbered 2133-73, and Alaska Federation of Natives International, Inc., et al. against Rogers C. B. Morton, et al., Civil Action Numbered 2141-73 ( F. Supp. ), changes in enrollment of Natives which are necessitated or permitted by such order shall in no way affect land selection entitlements of any Alaska Regional or Village Corporation nor any Native village or group eligibility.

(b) Stock previously issued by any of the twelve Regional Corporations in Alaska or by Village Corporations to any Native who is enrolled in the thirteenth region pursuant to said order shall, upon said enrollment, be canceled by the issuing corporation without liability to it or the Native whose stock is so canceled: *Provided*, That, in the event that a Native enrolled in the thirteenth region pursuant to said order shall elect to re-enroll in the appropriate Regional Corporation in Alaska pursuant to the sixth ordering paragraph of that order, stock of such Native may be canceled by the Thirteenth Regional Corporation and stock may be issued to such Native by the appropriate Regional Corporation in Alaska without liability to either corporation or to the Native.

(c) Whenever additional enrollment under the Settlement Act is permitted pursuant to this Act or any other provision of law, any Native enrolling under such authority who is determined not to be a permanent resident of the State of Alaska under criteria established pursuant to the Settlement Act shall, at the time of enrollment, elect whether to be enrolled in the thirteenth region or in the region determined pursuant to the provisions of section 5(b) of such Act and such election shall apply to all dependent members of such Native’s household who are less than eighteen years of age on the date of such election.

(d) No change in the final roll of Natives established by the Secretary pursuant to section 5 of the Settlement Act resulting from any regulation promulgated by the Secretary of the Interior providing for

43 USC 1613  
note.

SEC. 11. The boundary between the southeastern and Chugach regions shall be the 141st meridian: *Provided*, That the Regional Corporation for the Chugach region shall accord to the Natives enrolled to the Village of Yakutat the same rights and privileges to use any lands which may be conveyed to the Regional Corporation in the vicinity of Icy Bay for such purposes as such Natives have traditionally made thereof, including, but not limited to, subsistence hunting, fishing and gathering, as the Regional Corporation accords to its own shareholders, and shall take no unreasonable or arbitrary action relative to such lands for the primary purpose and having the effect, of impairing or curtailing such rights and privileges.

43 USC 1611  
note.

SEC. 12. (a) The purpose of this section is to provide for the settlement of certain claims, and in so doing to consolidate ownership among the United States, the Cook Inlet Region, Incorporated (hereinafter in this section referred to as the “Region”), and the State of Alaska,

within the Cook Inlet area of Alaska in order to facilitate land management and to create land ownership patterns which encourage settlement and development in appropriate areas. The provisions of this section shall take effect at such time as all of the following have taken place:

(1) the State of Alaska has conveyed or irrevocably obligated itself to convey lands to the United States for exchange, hereby authorized, with the Region in accordance with the document referred to in subsection (b);

(2) the Region and all plaintiffs/appellants have withdrawn from Cook Inlet against Kleppe, numbered 75-2232, ninth circuit, and such proceedings have been dismissed with prejudice; and

(3) all Native village selections under section 12 of the Settlement Act of the lands within Lake Clark, Lake Kontrashibuna, and Mulchatna River deficiency withdrawals have been irrevocably withdrawn and waived.

The conveyances described in paragraph (1) of this subsection shall not be subject to the provisions of section 6(1) of the Alaska Statehood Act (72 Stat. 339).

(b) The Secretary shall make the following conveyances to the Region, in accordance with the specific terms, conditions, procedures, covenants, reservations, and other restrictions set forth in the document entitled "Terms and Conditions for Land Consolidation and Management in Cook Inlet Area", which was submitted to the House Committee on Interior and Insular Affairs on December 10, 1975, the terms of which are hereby ratified as to the duties and obligations of the United States and the Region, as a matter of Federal law:

(1) title to approximately 10,240 acres of land within the Kenai National Moose Range; except that there shall be no conveyance of the bed of Lake Tustamena, or the mineral estate in the waterfront zone described in the document referred to in this subsection;

(2) title to oil and gas and coal in not to exceed 9.5 townships within the Kenai National Moose Range;

(3) title to Federal interests in township 10 south, range 9 west, F.M., and township 20 north, range 9 east, S.M.;

(4) title to township 1 south, range 21 west, S.M.: sections 3 to 10, 15 to 22, 29, and 30; and rights to metalliferous minerals in the following sections in township 1 north, range 21 west, S.M.: sections 13, 14, 15, 22, 23, 24, 25, 26, 27, 28, 32, 33, 34, 35, 36;

(5) title to twenty-nine and sixty-six hundredths townships of land outside the boundaries of Cook Inlet Region: unless pursuant to the document referred to in this subsection a greater or lesser entitlement shall exist, in which case the Secretary shall convey such entitlement;

(6) title to lands selected by the Region from a pool which shall be established by the Secretary and the Administrator of General Services: *Provided*, That conveyances pursuant to this paragraph shall not be subject to the provisions of section 22(1) of the Settlement Act: *Provided further*, That conveyances pursuant to this paragraph shall be made in exchange for lands or rights to select lands outside the boundaries of Cook Inlet Region as described in paragraph (5) of this subsection and on the basis of values determined by agreement among the parties, notwithstanding any other provision of law. Effective upon their conveyance, the lands referred to in paragraph (1) of this subsection are excluded from the Kenai National Moose Range, but they shall automatically become part of the range and subject

48 USC prec.  
21 note.

43 USC 1621.

43 USC 1621. to the laws and regulations applicable thereto upon title thereafter vesting in the United States. The Secretary is authorized to acquire lands formerly within the range with the concurrence of the Region so long as the Region owns such lands. Section 22(e) of the Settlement Act, concerning refuge replacement, shall apply with respect to lands conveyed pursuant to paragraphs (1) and (2) of this subsection, except that the Secretary may designate for replacement land twice the amount of any land conveyed without restriction to a native corporation.

No lands outside the exterior boundaries of Cook Inlet Region shall be conveyed to the Region, unless, in the following circumstances, the consent of other Native Corporations is obtained:

43 USC 1610. (i) Where the township to be nominated is located within an area withdrawn as of December 15, 1975, pursuant to section 11(a)(1) of the Settlement Act, the Region shall obtain the consent of the Regional Corporation and Village Corporation affected.

(ii) Where the township to be nominated is located within an area withdrawn pursuant to section 11(a)(3) of the Settlement Act as of December 15, 1975, the Region shall obtain the consent of the Region in which the township is located.

There shall be established a buffer zone outside the withdrawals described in subparagraphs (i) and (ii) which zone shall extend one township from any such section 11(a)(3) withdrawal and one and one-half townships from any section 11(a)(1) withdrawal. Any nomination of a township within such zone shall be subject to the consent of the Region, or of the Village Corporation if adjacent to a section 11(a)(1) withdrawal: *Provided, however,* That the affected Regional Corporation may designate additional lands to be included by substitution in the buffer zone so long as the buffer zone location is no greater than two townships in width and the total acreage of the buffer zone is not enlarged. The affected Regional Corporation shall designate the enlarged buffer zone, if any, no later than six months following the passage of this Act. Any use or development by the Region of land conveyed under this paragraph shall give due protection to the existing subsistence uses of such lands by the residents of the area; and no easement across Village Corporation lands to lands conveyed under this paragraph shall be established without the consent of the said Village Corporation or Corporations.

43 USC 1611, 1613. (c) The lands and interests conveyed to the Region under the foregoing subsections of this section and the lands provided by the State exchange under subsection (a)(1) of this section, shall be considered and treated as conveyances under the Settlement Act unless otherwise provided, and shall constitute the Region's full entitlement under sections 12(c) and 14(h)(8) of the Settlement Act. Of such lands, 3.58 townships of oil and gas and coal in the Kenai National Moose Range shall constitute the full surface and subsurface entitlement of the Region under section 14(h)(8). The lands which would comprise the difference in acreage between the lands actually conveyed under and referred to in the foregoing subsections of this section, and any final determination of what the Region's acreage rights under sections 12(c) and 14(h)(8) of the Settlement Act would have been, if the conveyances set forth in this section to the Region had not been executed, shall be retained by the United States and shall not be available for conveyance to any Regional Corporation or Village Corporation, notwithstanding any provisions of the Settlement Act to the contrary.

(d)(1) The Secretary shall convey to the State of Alaska all right, title, and interest of the United States in and to all of the following lands:

(i) At least 22.8 townships and no more than 27 townships of land from those presently withdrawn under section 17(d)(2) of the Settlement Act in the Lake Iliamna area and within the Nushagak River or Koksetna River drainages near lands heretofore selected by the State, the amount and identities of which shall be determined pursuant to the document referred to in subsection (b); and

43 USC 1616.

(ii) 26 townships of lands in the Talkeetna Mountains, Kamishak Bay, and Tutna Lake areas, the identities of which are set forth in the document referred to in subsection (b).

All lands granted to the State of Alaska pursuant to this subsection shall be regarded for all purposes as if conveyed to the State under and pursuant to section 6 of the Alaska Statehood Act: *Provided, however,* That this grant of lands shall not constitute a charge against the total acreage to which the State is entitled under section 6(b) of the Alaska Statehood Act.

48 USC prec.  
21 note.

(2) The Secretary is authorized and directed to convey to the State of Alaska, without consideration, all right, title, and interest of the United States in and to all of that tract generally known as the Campbell tract and more particularly identified in the document referred to in subsection (b) except for one compact unit of land which he determines, after consultation with the State of Alaska, is actually needed by the Bureau of Land Management for its present operations: *Provided,* That in no event shall the unit of land so excepted exceed 1,000 acres in size. The land authorized to be conveyed pursuant to this paragraph shall be used for public parks and recreational purposes and other compatible public purposes in accordance with the generalized land use plan outlined in the Greater Anchorage Area Borough's Far North Bicentennial Park Master Development Plan of September 1974. Except as provided otherwise in this paragraph, in making the conveyance authorized and required by this paragraph, the Secretary shall utilize the procedures of the Recreation and Public Purposes Act (44 Stat. 741), as amended, and regulations developed pursuant to that Act, and the conveyance of such lands shall also contain a provision that, if the lands cease to be used for the purposes for which they were conveyed; the lands and title thereto shall revert to the United States: *Provided, however,* That the acreage limitation provided by section 1(b) of that Act, as amended by the Act of June 4, 1954 (68 Stat. 173), shall not apply to this conveyance, nor shall the lands conveyed pursuant to this paragraph be counted against that acreage limitation with respect to the State of Alaska or any subdivision thereof.

43 USC 869.

43 USC 869.

(3) The Secretary is authorized and directed to make available for selection by the State, in its discretion, under section 6 of the Alaska Statehood Act, 12.4 townships of land to be selected from lands within the Talkeetna Mountains and Koksetna River areas as described in the document referred to in subsection (b).

(e) The Secretary may, notwithstanding any other provision of law to the contrary, convey title to lands and interests in lands selected by Native corporations within the exterior boundaries of Power Site Classification 443, February 13, 1958, to such corporations, subject to the reservations required by section 24 of the Federal Power Act. This conveyance shall be considered and treated as a conveyance under the Settlement Act.

16 USC 818.

43 USC 1601  
note.

(f) All conveyances of lands made or to be made by the State of Alaska in satisfaction of the terms and conditions of the document referred to in subsection (b) of this section shall pass all of the State's right, title, and interest in such lands, including the minerals therein,

43 USC 1621. as if those conveyances were made pursuant to section 22(f) of the Settlement Act, except that dedicated or platted section line easements and highway and other rights-of-way may be reserved to the State.

Appropriation authorization. (g) The Secretary, through the National Park Service, shall provide financial assistance, not to exceed \$25,000, hereby authorized to be appropriated, and technical assistance to the Region for the purpose of developing and implementing a land use plan for the west side of Cook Inlet, including an analysis of alternative uses of such lands.

43 USC 1611. (h) Village Corporations within the Cook Inlet Region shall have until December 18, 1976, to file selections under section 12(b) of the Settlement Act, notwithstanding any provision of that Act to the contrary.

Report to Congress. (i) The Secretary shall report to the Congress by April 15, 1976, on the implementation of this section.
