

MEMORANDUM

Date: April 29, 2019

Subject: Series of photos of my property/Supply Road

I have certified copies of the years 1963; 1964; 1982; 1993; 1997; 1999; 2001; 2002; 2003; 2004; 2005; 208  
I have a Google Aerial of 2005; I have an uncertified aerial photo friend took in 2008; and I have uncertified 1975  
but I can get a certified if we need it.

I just got the 1963 directly below today 4/29/19 and I put the 1964 below that – it appears there was a lot of gravel  
excavation between September of 1963 and May of 1964. Larger copy on page 2.

1975 – I do not have a certified copy of this one but I think I can get it from Quantum.  
This photo shows the old house and the new one. According to FNSB records the original house was torn down after the 1967 flood and rebuilt where it is now. According to FNSB records I have a copy of the old building was removed in 1976.
