Memorandum

To: Director, Alaska Road Commission

From: Director, Office of Territories

Subject: Alaska Road Commission

V66T 3 13
APR 11 1956

The attached copy of a memorandum from the Secretary sets forth an administrative limitation with respect to the program of the Alaska Road Commission.

In addition to the specific limitations on authority set forth in my redelegation to you in Order No. I, I shall expect you to clear with me before acting on any matter which involves either the formulation or modification of major policy, or which would commit the Department to a course of action, with respect to the program of the Alaska Road Commission.

This, as you know, does not alter the manner in which you have administered the Alaska Road Commission program in the past, but merely reduces to writing an administrative authority which must necessarily remain the Secretary's responsibility.
