Mr. Julian Inessatti
Box 1085
Fairbanks, Alaska

Dear Sir:

Receipt is acknowledged of your letter of February 22 requesting the extension of the Badger road upstream about 3,000 feet.

The Alaska Road Commission has no funds for new road construction but I am informed by Mr. Smith, the Territorial Highway Engineer, that this request has been presented to his office and is under consideration by the Territorial Board of Road Commissioners.

Very truly yours,

I.P. Taylor

Chief Engineer, Alaska Road Commission
