

DEPARTMENT OF THE INTERIOR
ALASKA ROAD COMMISSION
FAIRBANKS ALASKA

December 23, 1947

Mr. C. M. Browning,
Hot Springs, Alaska.

Dear Sir:

Reference your letter of December 15, in regard to the purchase and/or rental of buildings at Manley Hot Springs.

So far funds have been so small that it would have been impossible for us to purchase the buildings and do the necessary road work in the Hot Springs Section.

I am going to Juneau next February and at that time, will take up the purchase of the buildings and will advise you early in the spring as to what we can do.

As to the keys - as far as I know, no one connected with the Alaska Road Commission has them and I doubt very much if the Alaska Road Commission has had anything cached in the buildings for some time. However, I will check this with Mr. Bayless, our foreman who was down there during the summer of 1946.

Very truly yours,

FN/d

Frank Nash,
Superintendent
