

DEPARTMENT OF THE INTERIOR  
ALASKA ROAD COMMISSION  
FAIRBANKS ALASKA

April 10, 1947

Mr. Robert Isaacson,  
Manley Hot Springs,  
Alaska.

Dear Sir:

Reference your letter of April 8, in regard to employment for Mr. Fred South during the coming summer.

We do not know exactly as to how much work we will be doing down there this summer. However, will employ all the men that we can and that want to work. Do not want to send any more from here than we can help.

So anyone down there who wants to work will have to contact the foreman upon his arrival. Just now don't know who the foreman will be.

If in the meantime the breakup starts giving trouble before the arrival of the foreman, would appreciate it if you would have some one take care of the matter or notify this office as soon as possible.

Very truly yours,

Frank Nash,  
Superintendent
