No. 76-128

DECISION

In its Memorandum Decision of July 15, 1976, the Court ruled that PLO 2665 established a federal right-of-way 100 feet on each side of the Elliott Highway. It ordered further briefing upon the question of the existence or non-existence of a conveyance of the subject federal right-of-way to the State of Alaska

The State of Alaska filed a Supplemental Memorandum on July 23, 1976, exhibiting such a transfer by virtue of a quitclaim deed signed by the Acting Secretary of Commerce on June 30, 1959.

The defendants have not filed a supplemental brief although time for filing was extended to August 9, 1976.

Therefore, it appearing that the State of Alaska possesses a 100 feet right-of-way along the Elliot Highway and that it is entitled to possession of that property occupied by defendants' advertising sign which falls within

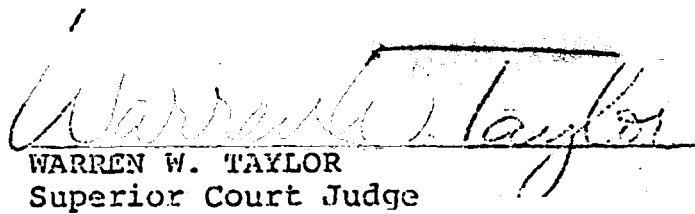

that right-of-way, judgment will be entered for the State of
Alaska.

Plaintiff may submit a form of judgment.

IT IS SO ORDERED

DATED at Fairbanks, Alaska, this 19 day of August

176.

Superior Court Judge
